

Telephone Demarcation Cabinet

Low-profile, underground communications distribution and control pedestals have become the standard for state, county, municipal, highway, and public works departments. Pedestals are constructed of the highest grade of material.

Our wide range of sizes and options allows maximum utilization of your space. They are small and attractive with no exposed fasteners. They also have vandal proof doors with hasp stress rated to 2,000 lbs. and are constructed of durable anodized aluminum, all welded construction. Also available in stainless steel or 12 gauge hand dipped galvanized steel. Our coatings will withstand the most stringent testing applied to outdoor enclosures and meet or exceed state specifications.

Type "C" TDC (18-18-12-BM)

Type "B" TDC (22-000)
